

12 - DRUG ANAGRAMS ICEBREAKER

Outcome	• To identify some drug names
----------------	-------------------------------

Preparation:	Anagrams sheet for every participant (each participant will need a pen)
---------------------	---

Can be used with	√ Parents √ Staff √ Young people
-------------------------	--

Total Time	30 minutes
-------------------	------------

METHOD	TIME	TOOLS
<p>1. Explain this session is an icebreaker and that participants will be able to illustrate their 'drugs knowledge' by identifying some drugs.</p> <p><i>Note for trainer:</i> This session is a 'fastest finger' task, so the first person to solve all the anagrams will win. (No cheating!)</p>	1 mins	
<p>2. Distribute the anagram sheet face down to every participant and ask him or her not to look at the sheet until you say.</p>	2 min	Copies of the Anagram sheet and pens for participants
<p>3. When ready ask each participant to turn over their sheet and work through solving the anagrams. The first person to complete the sheet should call out "fastest finger".</p> <p><i>Note for trainer:</i> If participants struggle to find all the answers ask them to pair up with the person next to them</p>	12 mins	
<p>4. Once someone (or a pair) have been identified as the winner/s go through the answers</p>	5 mins	
<p>5. Ask participants to have a short discussion with the person sitting next to them about this exercise (was it easy/hard or were some easier than others and if so why?)</p>	7 mins	
<p>6. Summarise by congratulating all participants for their contribution and ask for a round of applause for the winner/s.</p>	3 mins	

Drug Anagrams

Unscramble the words and see how many drugs you can get.

1. EINOCAC
2. LOMRAPOCEAT
